

## 11+ Vocabulary List

The following is a list of words compiled based on the words our pupils commonly have difficulty with. These are also words that frequently appear in comprehension passages, particularly classic literature. In addition to these words, we have included words that have been found in the 11+ sample papers provided by the schools.

In addition to learning the meaning of these words, you should ensure that your child is able to pronounce the words correctly and spell them.

You should aim to thoroughly cover around ten words a week by making flashcards of the words. Don't forget to review old flashcards as the weeks go on.
